

JNF MITZVAH DAY

Doing good deeds to meet community needs
אם אין לי מילי וכשאני לעצמי מה אני ואם לא עכשיו אימתי

As a result of the wonderful success over past years the

Jewish National Fund of Queensland,

together with Mitzvah Day Australia

is once again inviting all members of the Jewish Community and its friends to
participate in

JNF QLD Mitzvah Day 2018!

MT GRAVATT CEMETERY: Sunday 26 August 2018 at 9 am

We will generally clean up the areas surrounding the tombstones especially those
overgrown with weeds to give respect to the departed the greatest Mitzvah of all.

All who have taken part in our previous JNF Mitzvah Days will recall what a great
success they were and how good it made everyone feel - so come along and join in
and be part of what has become a tradition for our Community.

All are welcome, including all Communal Organisations.

Bring gardening tools of all types rubbish bags secateurs gloves rakes brooms
shovels etc

But don't forget to bring the most important thing Enthusiasm, and know that
your effort and contribution is appreciated!
